Prairie Gardens & Adventure Farm in partnership with the U of A Department of Family Medicine

Summer Weeklong Daycamps

Does your child need...

Fresh air and physical activity?

Wholesome fun and less screen time?

More self-confidence through creative, interactive & engaging play?

To stimulate their imagination through the wonder of nature?

To learn to love and respect animals and each other?

To experience wholesome farm fresh food?

Give your child the gift of an amazing, authentic farm experience creating memories and making friendships that will last a lifetime!

Prairie Country Experiences is hosting summer day camps for children from 7-14 years of age. Nestled on 25 acres in Sturgeon County, near Bon Accord, Prairie Gardens offers an experience rich in ecology, culture, learning how to eat well, and fun. Promoting respect for nature, animals and plants, these children's day camps will fill those 'boring' summer days with hands-on fun farm and garden outdoor activities.
